Subject: Help shape Notary Rules

I see no reason to submit the class list to the SoS each month. I have the registration on file for auditing at any time. I wonder what the SoS does with the info? Do they double check the class registration against new notaries? Is it just a CYA? This is akin to submitting all notaries performed during the month. I have a journal for auditing to reduce that paperwork overload. I would think the class registration could be addressed the same way.
